School Year 2010-2011 Lottery Application For Grades K-6

WWW.CHARTERSCHOOLOFEDUCATIONALEXCELLENCE.ORG

One application must be filled out for each child who wishes to attend the Charter School of Educational Excellence

- Only one application will be accepted per child.
- Application **must be mailed or emailed** to: Victory Schools, 111 West 57th Street, Suite 525, NY, NY 10019 or lottery@victoryschools.com.
- Applications must be received by **APRIL 6, 2010** to be entered into the lottery.
- An application must be submitted for each sibling before the lottery deadline. (For the purposes of the lottery, two students are siblings if and only if one student has a legal parent, legal guardian, or legal foster parent who is also the legal parent, legal guardian, or legal foster parent of the other student.)
An adult will only be considered a student's legal parent if there is proof of blood-relation (as evidenced by valid birth certificate), legal adoption (as evidenced by valid, appropriate court documents), or legal marriage (i.e. step-child, as evidenced by a valid marriage certificate). An adult will be considered a student's legal guardian or legal foster parent only if there is proof of such a relationship (as evidenced by valid, appropriate court documents).
- Applications are not considered valid until they have been received and reviewed for completeness and a confirmation card or email has been sent back to the applicant.
- If information on the application is incorrect, the application will be considered invalid, and any offer made for a place in the school based on this information will be taken back.

For example, if the application indicates that the child will be 5 years old by December 31st, but in reality the child is not, the offer will be rescinded. Likewise, if the application indicates that the child will be entering a given grade in **September 2010**, but the child is actually entering a different grade – for any reason – the offer will be rescinded, and the child will have to reapply for the grade in which they are entering.

- If the student's or parent/guardian's address or phone numbers change, you must notify the school and Victory Schools so that we may contact you in the event that the student is offered a place at the school.
- The school is a public school open to all applicants entering grades **K-6**, on a space available basis within each grade.
- Any child qualified under the laws of New York State for admission to a public school is qualified for admission to the Charter School of Educational Excellence; there is no tuition.
- Admission is not based on intelligence, achievement or aptitude, athletic ability, disability, ethnicity, race, creed, gender, national origin, religion, or ancestry.
- Students who have a disability or who may be in need of special education services or programs are eligible for admission into the school on the same basis as all other students. Please note, however, that our school may not be equipped or designed to satisfy a particular student's disability or special needs. Such a determination may be made after enrollment by the committee or subcommittee on special education (CSE) in the child's home district of residence. In the event our school is deemed to be an inappropriate educational setting for a particular disabled student or special needs child, our school must work with the Committee on Special Education and the parent to provide a setting that meets the needs of the individual student as stipulated in their IEP or 504 Plan.
- No tests are required for admission.

Students will be admitted to the school by lottery.

- The lottery is open to all eligible applicants applying to grades **K-6**.
- All applications received by **APRIL 6, 2010** will be separated by grade and entered into the lottery. Lottery will be held on **April 12**.
- A random drawing of names by grade will be held.
- Preference will be given to siblings enrolled at the Charter School of Educational Excellence, then students residing in Yonkers community school district.
- If students do not accept their spots by the registration deadline, those spaces will be given to students on the waiting list.
- Transportation requests should be made by **APRIL 1st**.

This is an equal opportunity, free, public, charter school, open to all children on a space-available basis.
