

Charter School of Educational Excellence

PRESENTS

"ELA & Math Family Night 2011"

Please attend our 2011 *"ELA & Math Family Night"* with your youngster to learn about and explore (hands-on) the skills your child needs to be successful on the New York State English Language Arts and Math Assessments. Leading the presentations will be teachers and our ELA and math consultants, Dr. Alice Seigel and Mrs. Daisy Altreche. The principal will kick off the activities with a PowerPoint presentation in the MPR at 6:00 p.m.

The activities are intended to familiarize parents of students in Grades 3-7 to the New York State Assessments and the **REVISED** standards that are now more rigorous both for students and schools across the state.

Join us for an in-depth discussion regarding ways in which parents can help their children be successful on the upcoming assessments this spring. We look forward to your participation!

Please join us for the parent/child test-taking activities!

EVENT: ELA & Math Family Night

DATE: Thursday, March 31, 2011

TIME: 6:00 p.m. – 8:00 p.m.
