

Patricia D. McDow
Yonkers City Council Majority Leader- District #1

Congratulations

August 17, 2010

I want to extend a special congratulation to you, the Board, your staff, current students and students to come for being approved by the Zoning Board of Appeals tonight, Tuesday, August 17, 2010 to move forward with your 3 story building extension.

I am very proud of the accomplishments the Charter School of Excellence has made in such a short amount of time. I look forward to the addition of the Junior High School; additional employment opportunities for educators and continued merit from the Charter School of Excellence as a whole.

Respectfully,

Patricia D. McDow
