CSEE Middle School Uniforms **"IMPORTANT INFORMATION FOR PARENTS"**

RE: NEW Uniforms for Middle School Students (Grades 5-8)

July 23, 2011

Dear Middle School Parents/Guardians:

Thank you for your patience while we were deciding on our new uniforms for our middle school students. New uniforms for students in Grades 5-8 is effective September 2011. We have changed the uniforms for students in these grades because we want them to feel they have achieved an important milestone in their life. Moving from elementary to middle school is an accomplishment and we want our middle school students to stand apart and feel special.

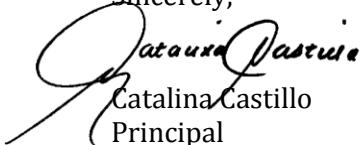

With a change in uniforms for the older students here at CSEE, they are expected to report to school in full uniform every day. We have made accommodations for our students by giving them the option of either wearing a shirt and tie (which is our preference) or wearing the burgundy uniform polo shirt that will have the embroidered school insignia. Both uniforms are acceptable as long as students come to school meeting uniform compliance. Students who do not wear the uniform shirt and tie must wear the school polo shirt with the school's emblem. Sneakers are not acceptable. Students are expected to wear black uniform/dressy shoes.

We want our students to feel proud of their school. Our uniform represents our standard for excellence. It is our hope that our middle school students will serve as role models for students in the elementary grades, therefore, their coming to school dressed to succeed will motivate and inspire our younger children to emulate them.

Our uniform colors are khaki and burgundy. Attached please find information about ordering the new school uniforms from Cookies. You have a variety of options to make this as convenient as possible for you. If you have any questions, please do not hesitate to email me at [ccastillo@cseeschool.org].

I look forward to you being a part of CSEE's special and historic occasion when it opens its new middle school to children in Yonkers.

Sincerely,

Catalina Castillo
Principal
