

Dear Catalina, Cindy & Jennifer,

Thank you for a memorable visit to CSEE. Your collaborative spirit & team effort & your dynamic duo leadership defines the "Educational Excellence" of CSEE.

Bravo! Kudos! Fabulous! We recognize your achievements & hard work. Thank you for opening your school for us to grasp the insiders look at an "exemplary" school.

Our school visit left the participants with a feeling of "awesome"!

Sincerely,
Maryann

Please accept our gratitude for helping make *Literacy Connections* an outstanding experience. It takes many people to pull off a successful conference, and we're glad that you were one of them.
